DOTDAY TERRA GEOTEXTILE BUILDS THE FOUNDATION THAT LASTS

THE DIFFERENCE IS WHAT'S UNDERNEATH

No separation layer: rutting, pumping, and standing water.

With TERRA: a separated, draining, stable base.

DOTDAY TERRA (4, 6, 8 OZ)

DRAINAGE AND FILTRATION GEOTEXTILE

■ APPLICATIONS

- French drains and drainage systems
- Retaining walls and erosion control
- Road base and soil separation
- Under gravel and driveways
- Filtration layers

■ KEY FEATURES

- Non-woven needle-punched fabric
- High permeability for water flow
- Excellent filtration and separation
- Resists clogging over time
- Available in 4 oz, 6 oz and 8 oz

■ BENEFITS

- Improves drainage performance
- Prevents soil migration
- Enhances ground stability
- Adapts to different load conditions
- Long-term reliable filtration

BOTTOM LINE Reliable drainage. Strong filtration. Built for ground stability.

DOTDAY XBAR (5 OZ)

HEAVY-DUTY DUAL-LAYER LANDSCAPE FABRIC

■ APPLICATIONS

- Gravel pathways and driveways
- High-traffic farm areas
- Long-term weed control projects
- Under pavers and hardscaping
- Equipment zones

■ KEY FEATURES

- 5 oz dual-layer: woven top over a non-woven needle-punched backing
- High puncture resistance
- Strong load distribution
- Handles sharp aggregates
- Long lifespan

■ BENEFITS

- Withstands heavy loads
- Prevents shifting and sinking
- Long-term durability
- Works for commercial installs
- Strong weed barrier

BOTTOM LINE Stronger. Tougher. Built for demanding ground conditions.

DOTDAY SHIELD (3.2 OZ)

WOVEN WEED CONTROL FABRIC

■ APPLICATIONS

- Garden beds and landscaping
- Nurseries and greenhouse flooring
- Under mulch and soil applications
- Vegetable farms (corn, pumpkin, strawberries)
- Pathways and light foot traffic areas

■ KEY FEATURES

- 3.2 oz high-density woven polypropylene
- Engineered breathable weave for air and water flow
- UV-stabilized
- 12 inch planting guide lines
- Tear-resistant and easy to cut

■ BENEFITS

- Stops weeds without blocking water
- Helps keep soil breathing
- Faster installation
- Clean planting layout
- Cost-effective coverage

BOTTOM LINE Lightweight. Breathable. Built for everyday weed control.
